Male Power!

“I can do all things through
Him who gives me strength.”

THE MISSION

The mission of Male Power is to empower youth with a developed sense of purpose and leadership skills in which to enhance their lives. In doing so, we assist young males in attaining the knowledge and accepting the responsibilities, privileges and duties of an adult member of society and promote positive effective life choices.

GOALS

The goal of the Program is to promote positive adolescent development by helping youth resist negative societal and peer pressures; to be responsible for their life choices, to develop the ability to resolve conflicts peacefully and learn to live healthy drugfree lives. To assist youth in the understanding of financial matters. To help youth that have little or no leadership skills and to attain those necessary skills to become an effective proud leader. To teach males the value of the male roles as they continue to grow into young men.

We want to change the negative images and bad reputation that males of color have been given by providing mental coping skills, personal power enrichment, and male leadership, to help improve the life styles of our young males.

The training will help to improve their roles as sons, brothers, fathers and become productive and successful male leaders in society.

GOALS AND OBJECTIVES

- ◆ To teach Character and Leadership skills to participants;
- ◆ To conduct Life Skills training;
- ◆ Deter young males from crime and imprisonment by addressing barriers to goal progression and overcoming barriers;
- ◆ Assist in minimizing the school dropout rate, truancy and expulsions;
- ◆ To educate males on the consequences of drugs, alcohol, and tobacco uses;
- ◆ Provide COPE sessions to reduce anxiety, depression and stress as well as improve self-esteem, healthy behaviors and academic performance;
- ◆ To direct and motivate young males to complete high school and aspire to higher education;
- ◆ To provide training to fortify today's youth with the knowledge to recognize and attain marketable skills to make a living;
- ◆ Mentoring-fostering self-esteem, nurture and self-confidence and personal responsibility;
- ◆ Address family issues that result from inadequate family experiences;
- ◆ Address the serious problem of economic deprivation, unemployment and incarceration.

MALE POWER! PLEDGE

I am determined to be the best me I can not because I owe it to the world but because I owe it to myself.
I'll be like Joshua and rise, climb and soar above all expectations.

I'll be like David and Stay strong when I stumble.

I'll be like Solomon and seek wisdom and be humble.

I'll be like Joseph and dream and achieve

I'll be like Abraham and do great things and believe that with God, nothing is impossible and for my success I am responsible.

I'll be like Paul and make a difference and will succeed.

I won't hurt or bully my brothers, but be there in times of need.

I'll stand, for what's right with the Word as my hedge

this is MY earnest
